Vitamin D 25 Hydroxy Claims

Vitamin D 25 hydroxy claims must be submitted with the correct diagnosis code.

For claims with dates of service on or after October 1, 2019, AmeriHealth Caritas Delaware will implement a claim edit denying payment for CPT 82603 — Measurement of Vitamin D25 Hydroxy — when the patient is 18 years of age or older, unless the procedure is billed with a requisite diagnosis. The Vitamin D Testing ICD Allowable list can be found on our website at www.amerihealthcaritasde.com > **Providers > Claims and Billing > Claims Resources.**

Please share this information with your billing service or revenue cycle management organization as required.
