## Prior Authorization Lookup Tool available on plan website

The Prior Authorization Lookup Tool was designed to help reduce the administrative burden of calling Provider Services to determine whether prior authorization is required. The tool is easy to use and offers general information for outpatient services performed by a participating provider.

To try the Prior Authorization Lookup Tool, visit [www.amerihhealthcaritasde.com/provider/resources/prior-authorization-lookup.aspx](http://www.amerihhealthcaritasde.com/provider/resources/prior-authorization-lookup.aspx).

Prior authorization requests **cannot** be submitted through the tool and should continue to be requested through your current process. We would like to remind you that you can submit your requests electronically via NaviNet. Through your single login to NaviNet, you can request prior authorization and view authorization history. If you are not already a NaviNet user, visit [navinet.secure.force.com/](http://navinet.secure.force.com/) to sign up.

If you have questions about the tool, please contact your Provider Account Executive or the Provider Services department at **1-855-707-5818**. If you have questions related to a procedure code or prior authorization, please call **1-855-396-5770**.
